

Innovative features make life easier
for patients, guests and caregivers.

Purell. Personal Pack Wipes hand hygiene dispenser
Helps control infection and aids patient safety with convenient bedside hand sanitizing.

Mirror/storage module
Cleans easily and is made of break-resistant acrylic. Also, is attached atop the table for easy access to storage.

Fixed caregiver module
Remains stationary while table is raised and lowered. Features two bins and laptop storage.

Tuning fork base
Fits easily under beds, even with power transport.

Braille on all touch points
Convenient descriptions for patients, guests or caregivers.

Steel column
Raises and lowers table quietly with minimal effort.

Hill-Rom. Art of Care. Overbed Table OBT636

This highly configurable table is designed with ease of use in mind. It fits effortlessly under beds and features a larger surface area that maximizes infection control.

2009 recipient of
The Nightingale Awards

Dual food service tray
Provides 30 percent more surface area, so patients don't need to move belongings at meals.

Cup holders
Reduces spillage and cleans easily.

Fixed caregiver surface option
Remains stationary while table is raised and lowered. Features two bins and laptop storage.

Hill-Rom. Art of Care. Overbed Table OBT635

Three top options
Features seamless thermofoil technology which cleans easily.

Fixed caregiver surface option
Remains stationary while table is raised and lowered. Features two bins and laptop storage.

Large surface area
Allows patients to create a home away from home, with easy access to belongings.

Hill-Rom. Art of Care. Overbed Table OBT634

"C" Base
Fits easily under beds even with power transport.

Dual column
Raises and lowers the table quietly.

Easy roll casters
Allows the table to be moved effortlessly.
